MISSION UPDATE

Wilf and Anita Flores

"Praise the Lord for the chance that Wilf has to spend a week in the village. He is making contact with our other co-workers and fixing things around the Literacy centre and the roof of our house in the village. We also praise the Lord that COVID-19 vaccine came to the village a couple of weeks ago. Many people over 60 years old got their first dose of vaccine. Pray for Ruben, our young co-worker in Bible translation, he was elected to be part of a committee responsible to organise the paving of a section of the road to the area. Ruben has the role of controller in the committee, he has to oversee materials coming in for paving the road and pay the workers. Pray that he can do a good job and for him to return to the translation work when he is done with this work at the end of 2021."
