MISSON UPDATE

June Update from Colleen CMCT

We take this opportunity to thank you for your continued prayers and support for the ministry of CMCT. We praise God for His faithfulness and for His people like you to stand with us in all our endeavours even during these challenging times.

As you are aware through the media, India has been drastically hit by the pandemic. Our State of Tamil Nadu which was relatively better in the initial stage, has got worse in the past month. The number of infections has risen to more than 40,000 daily and 500 deaths per day. But we praise God, due to the recent lockdown, the infection rate is coming down and it is now less than 20,000 per day, but the death rate is still high at 400 plus each day. During this second wave, many family, friends and staff got infected, and most are now recovering. However, two staff members – Mr. Muthukumar and Dr. Ravi, have succumbed to this virus and sadly have deceased in the last month. More than 12 staff families have lost someone during these days due to Covid. We ask for your special prayers for India and also for our staff and the people of Tamil Nadu.

In spite of the lockdown, we have started the Helping Hand Project to reach out to people who are infected and affected in this pandemic. Everyday more than 400 packets of dry rations, multivitamins, masks and sanitizers are supplied to people in remote villages. The kitchen also cooks for more than 250 in the city every day.

Please also pray for Colleen with her painful thighs and her eyesight.
